

CITIZEN INTEREST FORM

DICKINSON PUBLIC LIBRARY FOUNDATION BOARD

Our purpose is to promote, enhance, and develop library services for individuals and groups in the Dickinson area. We accomplish this by receiving, holding and dispersing grants, contributions and gifts of money. We are looking for civic minded volunteers to serve on our board, and, while not required, individuals with experience and interest in library services, nonprofit management, nonprofit fundraising, and nonprofit governance would be of great help. We anticipate playing a major role in an upcoming library expansion project.
